

Employment Enablement Package

What are Employment Enablement Packages?

An Employment Enablement Package will provide you with **12** months of support to assist you to become job ready and be able start work.

\$ What does it cost?

There is **no** cost to you. We will receive funding to support you.

What will we do for you?

If you are allocated a package, we will have a chat with you and your family or carer and get to know what you would like to do and what you are good at. We can support you to:

- develop the skills employers may need to hire you
- get some work experience
- do a short training course
- be supported in the early days after you start working.
- We will work with local employers to try and find a job suitable for you.

How can we help you apply for a package?

We can help you if you:

- have an intellectual disability
- are aged between 30 to 55 years
- have a work goal
- have never used another program like Transition to Work Program or equivalent
